MICHAEL
THOMAS

A
PROFESSIONAL
OVERVIEW

Michael Thomas is a Master Chemist and Herbalist and has worked extensively in the cosmetics, hair and skin care industry for nearly 40 years.

Michael started working in the hair and skin care industry at age 20. During his career he pioneered new concepts and formulation of hair and skin products that continue to stand the test of time and thus, excelling in the exclusive world of botanical and herbal chemistry, becoming a consultant to numerous industry leaders.

Michael performed direct or duplication formulation work for many companies and individuals directly or through private label manufacturers.

Michael has worked or consulted for the following companies:

Michael Thomas commanded the highest accolades in the hair and skin care industry for many years.

His mastery of botanical and herbal chemistry allowed him to work on his pain management systems after the death of his son.

Michael Thomas has worked in mastering the HALO Systems since the late 90's and continues to work on perfecting his systems of botanicals, herbs and medicinal mushrooms. Michael Thomas is now the Founder and CEO of HALO Systems Inc.
